## MATERIAL SPECIFICATION MANUAL GUIDELINES

The Material Specification Manual is your resource and guideline for all décor brand standards. The manual comprises of specifications for Furniture, Fixtures and Equipment (FFE), Operating, Supplies and Equipment (OSE), and Construction Finishes.

In conjunction with the prototypical architectural drawings, both documents are provided to assist in the building of a StayAPT Suites property. The manual is to be used for New Build only.

This comprehensive manual captures all prototypical materials for the brand. If custom décor is desired, please reference the submittal guidelines. Approval of all specifications are required if there are deviations from the prototype outlined in this manual.

Please note, it is the responsibility of the Owner, Franchisee or Owner Representative to conform to local jurisdiction code requirements.

The following notes will help you navigate the document:

- The manual is divided into Sections reflective of FFE, OSE and Construction Finishes.
- Each Section is categorized by area and its prospective identifier.
- FFE ranges from 001 – 999
- OSE ranges from 1000 – 6000+

### Definitions:

- OPT designates an Optional Item.
- ALT designated an Alternate Vendor.
- Refer to the Reference Designator Key for Area Descriptions.

### Submittal Guidelines:

- No additional submittals or approvals are required if purchasing through approved vendors/supplier and outlined prototypical specifications. Value Engineering of outlined specifications is not approved at this time.
- Submittals and approvals are required if purchasing from a non-approved vendor/supplier. Review fee will apply.
- Submittals and approvals are required for any custom material. Review fee will apply.
- Submittals must contain the following:
  - Copy of Prototypical Item and Desired Custom Item
  - Material Specification Information
  - Dimensions or Shop Drawings
  - Color Photograph and Rendering of Item(s)
  - Finish or Fabric Sample (if applicable)
  - Physical Sample Maybe Required for Approval

## DEFINITIONS:

### MATERIAL CATEGORY

- FFE: Furniture, Fixtures & Equipment
- OSE: Operating, Supplies & Equipment
- GC: General Contractor
- OFCI: Owner Furnished, Contract Installed
- OFOI: Owner Furnished, Owner Installed
